

REMARKS

At the time of the Notice of Allowance and Notice of Allowability dated March 29, 2004, claims 4-20 were pending in this application. Of those claims, claims 4-11 have been allowed and claims 12-20 have been withdrawn from consideration pursuant to the provisions of 37 C.F.R. § 1.142(b).

New claims 21-23 have been added, respectively dependent upon allowed claims 5-7. Claims 21-23 each recite that a first insulating film is formed with a dual-layer film or a multi-layer film, consistent with page 14, lines 3-6 of the originally-filed specification. Applicants submit that the present Amendment does not generate any new matter issue. Applicants also submit that since claims 21-23 are dependent, respectively, on allowed claims 5-7, claims 21-23 are also allowable.

Applicants have made every effort to present claims which distinguish over the prior art, and it is believed that all claims are in condition for allowance. However, Applicants invite the Examiner to call the undersigned if it is believed that a telephonic interview would expedite the prosecution of the application to an allowance. Accordingly, and in view of the foregoing remarks, Applicants hereby respectfully request reconsideration and prompt allowance of the pending claims.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper,

Application No.: 09/971,958

including extension of time fees, to Deposit Account 500417, and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
